March 23, 1967

Mr. George Fick
434 Millard Street
Schenectady, New York 12305

Dear Mr. Fick:

Publication of the pictures now is not likely and would be premature because most of them are not yet collected. As of now we have not been able to contract either WHTIEWASH II or III. III is probably going to be another two months because of other work.

Sincerely,

Harold Weisberg
